**Bon Secours Mercy Health and Medline
Industries takes an end-to-end view of the
supply chain, from manufacturers, distributors,
providers, and patients**

The value of strategic partnerships
What does it mean when providers and suppliers
establish long-term strategic partnerships? Dan and
Jim will kick things off discussing the journey of Bon
Secours Mercy Health and Medline Industries, and
how they've come together to enhance the delivery
of healthcare supply chain.

8:00-9:00 AM

Networking Breakfast

All

9:00-10:30 AM

**Embracing Partnerships through Open
Dialogue: IDNs and Medical Device
Manufacturers working together through
challenging times**

The care setting is facing grave and immediate market pressures with shifting and dynamic disruptions. Let's talk openly about how we conquer these challenges together - as providers and suppliers. This interactive exchange will outline specific ways Medical Device Manufacturers can best serve large IDNs.

This session will have plenty of time for open dialogue and Q&A at the end!
