10:30-11:30 AM	Resilience, Partnership and Performance in an Era of Disruption How providers and suppliers can prepare for disruption, protect patient care and create sustainable value across the healthcare ecosystem. Healthcare supply chain disruption is no longer an episodic problem to manage when something goes wrong. It is a persistent operating condition. In a healthcare environment already pressured by coverage loss, payer-mix deterioration and rising costs, resilience has become an economic and clinical imperative—and suppliers have a critical role in building it.	Jeremy D. Owens Chief Executive Officer, Supply Chain, MidAmerica Division HealthTrust Supply Chain
11:30 AM	Adjourn	All
